All athletes must submit their emergency information and sign the clearance forms online for each sport/activity they participate in. Please make sure to check each sport your athlete plays...Please **do not** pick all sports, pick only the ones your athlete will try out for.

Go to [www.athleticclearance.com](http://www.athleticclearance.com) and fully complete the online registration. (Remember your login and password for future clearances. You will do this for every sport/activity your child participates in while they are a student at Marina)

1. Choose school year 2024/25 **\*\*Very important that the correct year is chosen\*\***
2. Choose Marina (CIF/SS) 15871 Springdale St HB
3. Choose the sport/activity your child will currently participate in
4. Fill out all information
5. Read all forms - online signatures on all forms are required by parent/guardian and athlete
6. When you are done you will get a message that you have successfully completed the registration. Read the consent page, then print and sign. Your son/daughter will need to bring the signed hard copy of this consent form to the ASB office when they come to take care of any financial contributions for ASB, transportation and athletics/ trainer. This is just the first step in the clearance process.
7. The clearance process also includes having a physical on file (may be turned into the athletic trainer, AD or school receptionist at any time or uploaded into your [athleticclearance.com](http://athleticclearance.com) account).
8. Insurance requirement is a minimum coverage of \$1500.00 per Ed Code#32220-24 If you do not have health insurance you can purchase school insurance by going to the following site:  
<https://www.myers-stevens.com>  
Once you have purchased the insurance print the confirmation page send it to Nick Racklin via email to [nracklin@hbuhd.edu](mailto:nracklin@hbuhd.edu)
9. Having the three above items completed means your student athlete is ready to do a camp, tryout or be enrolled in an athletic class. The final steps of the clearance process comes after your student athlete has made a team.
  - a. We will check GPA to make sure they have a 2.00 or better.
  - b. We will hold a final clearance day where the student athletes complete the financial portion of clearance (Transportation, ASB and Trainer)
  - c. Do the impact concussion pre-test (Instructions will be given by the coach)
10. Once your athlete is fully cleared to participate in their sport/activity you will get a confirmation email and the coach and trainer will get a copy of the emergency card.
